SUNDAY, OCTOBER 10, 1909

J. A. O. Club.

The regular meeting of the J. A. O's. was held on Monday afternoon, at the Misses Parker's. All the old members were present, also four new ones. Misses Coulter, Harman, and Cavitt. Fearing the business part would grow tiresome, to invited friends; it was made as short as possible. Mesdames Frank

Clarke, D. C. Demaret, W. M. Foster, Tyler Hazwell, W. D. Lawrence, H. G. Rhodes, A. B. Carr, Jr., G. S. Parker and S. J. Bain were with us, which naturally added dignity to our jolly crowd. Just when conversation was beginning to flag, Miss Katherine Parker suggested our playing cards. In the end, Mrs. Demaret carried off the honors of the evening—a dainty puff box presented by the President with an appropriate little speech. Punch and other refreshments were served during the afternoon. Order was again called, and the home of Misses Harman decided as the next meeting place.

SECRETARY.

Daughters Of the Confederacy.

Tuesday the L. S. Ross Chapter, U. D. C., held its initial meeting in the Ross Chapter Hall, which was established last week in the postoffice building. Dr. Smythe has the sincere thanks of the Chapter for beautifying the room, and making it an attractive place of meeting for the Daughters, who are enthusiastic in the work to be accomplished. With a Hall identified with the interests of the organization, the members can accomplish a great deal. Already the roll shows twenty-seven members in good standing, and the number of applications filed will swell the membership to forty or more ladies interested in the work outlined for the Chapter, and loyal to the sentiments which inspire the wonderful growth of the order of the United Daughters of the Confederacy not only in Texas, which is marked, but throughout the South and in truth—the country.

To those interested in the cause the Chapter asks encouragement. Visit the Chapter Hall, then send something suitable for the room, as a gift or loan—something that will remind the Daughters of the gallant men who wore the grey—of those who "fought for what they thought was right."

We need books, pictures, relics—everything necessary to transform a room from a Chapter Hall into a Chapter Home—a neat room, in grey effect, thirty oak chairs, a desk, and a table, the Charter prettily framed by courtesy of Mr. Hazwell, hangs on the wall, the only ornament. The opportunity is presented, and the friends of L. S. Ross Chapter are invited to take an interest in the work, and in the Hall.

situation at Virden, so far as the Alton road is concerned. Steps will be taken likewise by the Alton to secure legal redress for the alleged interference with the road.

The officials of the Alton claim that one of the most sacred prerogatives of a common carrier was outraged, and they express their determination to find out if the governor of the state can "exercise lawless force," as they term it, without being held to account.

Rigorous Censorship.

Bayonne, France, Oct. 15.—According to advices received from Madrid, a rigorous censorship has been revived there. Senor Sagasta and his colleagues are said to be greatly concerned regarding the demands of the United States which, they assert, not only refuse to assume any of Spain's colonial debts, but wants to take the heavy artillery in Cuba and the floating dock recently sent to Havana. The same advices say that the Madrid Imparcial announces that the government has cabled Captain General Blanco not to turn over any further territory to the Americans until the peace treaty has been definitely signed.

Chamness, a prominent physician of Center Ridge, who was assassinated at his home in June 1897. The evidence against Brinkley was purely circumstantial.
